

### 3rd ACTIVITY: INTERNATIONAL CALENDAR

The third activity was an art workshop named 'Multi-culti' that lasted one week. We got help from the well known Croatian artist Ania Škrobonja - Skani whose children attend our school. She collaborated with our Art's teacher in this activity.

The workshop was held every afternoon and it started with Skani's multicultural arts presentation. The pupils had their freedom to choose the technique they wish in order to express topics such as multiculturality, tolerance, love, friendship....

Here are some of the pictures that we took during our 'Multi-culti' workshop.

At the end of the workshop we organized an exhibition where the best two paintings were chosen to make part of the Intercultural Calendar.

These are some of the paintings done by our pupils.
