

PRESENTATION

Initially founded in 1868 as a school for girls, the school adopts the name of a great historian and politician, **Gh. I. Brătianu**.

“Gh I Bratianu” School wishes to build the best educational climate whose purpose is children development in the view of their personality affirmation and their capacity to adapt to a society in continuous change, independent of the ethnical grouping (in minority or majority) to which they belong.

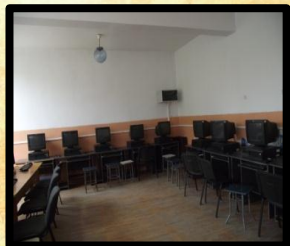

We wish to offer the opportunity of an education in a classic regime to the children with ages between 7 to 15, by giving them the possibility of discovering:

- *their inner abilities;*
- *the enthusiasm of learning;*
- *the identity of each student and the meaning of relationships.*

The school is equipped with the following rooms:

- Biology Lab
- Computer Lab
- Chemistry/Physics Lab
- Reading Room
- Gym
- Surgery

WELCOME GUIDE

School No. 10

Iasi

a city of culture

Iasi is located in the North-East of Romania, between the Moldavian Plateau and the Jijia Plain, on the river Bahlui. It is a common belief that Iași is built on seven hills: Cetățuia, Galata, Copou, Bucium-Păun, Șorogari, Repedea and Breazu, thus triggering comparisons with Rome.

Iasi is the city with:

- the first Romanian University- "Alexandru Ioan Cuza" University"
- the first Romanian Botanical garden
- the oldest Synagogue in Romania
- the oldest and the most beautiful national theatre

Institutions and touristic objectives:

- The Palace of Culture
- Mihai Eminescu's Linden Tree
- Dosoftei House
- The Palace of Roznovanu
- Ion Creangă Memorial House
- The Union Museum
- The " Al. I. Cuza" University
- The Central University Library
- The Metropolitan Cathedral
- The Monastery of Cetățuia
- "Three Hierarchs" Monastery
- The Catholic Cathedral
