Class master teacher asked us why we love our school, how our school is different from other schools, why is it so special for us.

This is our answer!!

I like school because it has so many roses in the garden. The garden is well maintained, there are many birds and cats here.

Anca Damian

Here I learned radio transmission. School is proud that her first radio club. Can transmit more than 100 words per minute. It's great!

Dora Ifrim

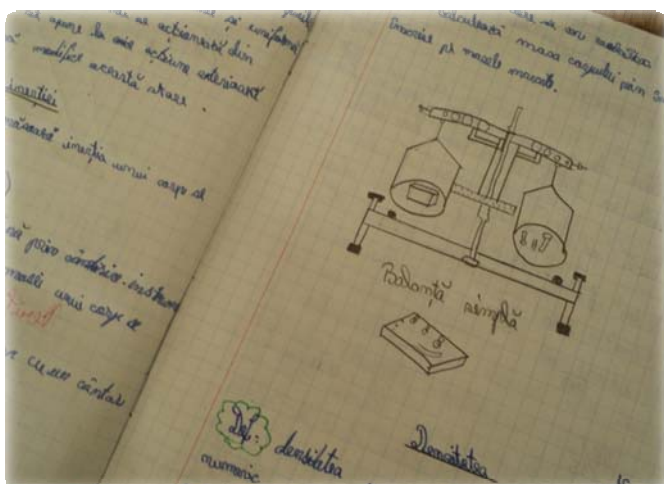

I like the gym, chemistry and physics laboratories, computer laboratories. Are well equipped and have spent many interesting classes.

Adrian Maxim

I like the maths ... and at the physics ... I understand everything. But my favorite is history class. Participate in contests and get many awards and medals.

Maria Zvanca

I like the breaks of hours when we play, eat,
talk with friends ...

Andrei Chiriac

Part of the Eco Club Teodorenii, ecology club.
We perform various activities: collecting waste,
cleaning the park, in class, in school ...

Sorin Ionescu

Many activities we do and from school ... in the Botanical Garden of Iasi, then know better nature, we play ... we are happy!.

Daniel Dioc

I made a Christmas party in class. It was great!
many cakes, dancing, games ... we had fun!

Elena Mosie

Our school has a very nice uniform, a flag we are proud ...

Matei Barabula

I love to read. We have a very good library and a spacious reading room.

Andreea Chitoroaga

I like this school because I learn among friends.
